2 October 2018

Dr. Prof.  
**Florian TOTI**

Dear Dr. Prof. TOTI,

It gives us great pleasure to officially confirm your collaboration as a speaker in the CME program "Therapeutic Education – Empowering People to Prevent Diabetes & its Complications", which will be developed by Infomedica in collaboration with the Diabetes Education Study Group (DESG).

As a speaker, you will be responsible for the following:

- Preparing your presentation (in English)
- Providing 3-4 multiple choice questions (with 4 answer options/each, commentary and references) (in English)
- Writing a summary of your presentation (in English).

Delivery timeline of the content: 5 October 2018.

This collaboration is part of the general Agreement between DESG and Infomedica for this CME program.

Yours sincerely,

**Dr. Giorgio Mantovani**  
Direttore editoriale e resp. ECM  
Infomedica – Medical Education & Information  
Via San Quintino, 36  
10121 Torino - Italy  
T. 011.859990

**Dr. Prof. Florian Toti**
