

PERSONAL INFORMATION Victor Desmond Mandel

POSITION Medical Doctor specialized in Dermatology and Venereology.

WORK EXPERIENCE

02/11/2018 - present Researcher within the project "High Technology Skin Cancer Diagnosis Implemented In A Research Hospital Network In Emilia-Romagna For Early Accurate Skin Cancer Detection In A Cost-Saving Model" (NET-2011-02347213).

EDUCATION AND TRAINING

- 08/08/2013 - 07/08/2018 **Dermatology and Venereology Residency Training Program - final mark 110/110 cum laude.**
University of Modena and Reggio Emilia, University Hospital, Modena, Italy.
Diagnosis and treatment of skin disorders and sexually transmitted diseases.
Diagnosis and treatment of hair and nail disorders.
Diagnosis and treatment of the main allergological pathologies of dermatological interest.
Use of dermoscopy and videodermoscopy for the diagnosis of various pathologies.
Wound care and treatment management.
Use of reflectance confocal microscopy, optical coherence tomography and speckled variance optical coherence tomography for the diagnosis of various pathologies.
Use of photodynamic therapy for non-melanoma skin cancer and its precursors.
Use of intense pulsed light therapy for treatment of angiomas, telangiectasias and skin spots.
Use of a radiofrequency device for the treatment of androgenetic alopecia, wrinkles, stretch marks and skin spots.
- Cryotherapy, electrosurgery, skin biopsy (punch biopsy, shave biopsy, incisional and excisional biopsies), excision of skin lesions, skin grafting and flaps.
- 23/02/2011 **License to practice issued by the FNOMCeO – National Federation of Medico-Surgical and Dental Orders / Provincial Order of Rome.**
Training program at the Chest Unit of the Emergency Room (University of Roma "La Sapienza", University Hospital Umberto I, Roma, Italy): treatment of yellow code patients. Tutor: Prof. Bertazzoni Giuliano.
Training program at the Anaesthesiology and Reanimation in the Emergency Operating Unit (University of Roma "La Sapienza", University Hospital Umberto I, Roma, Italy): monitoring, assistance and treatment of red code patients. Tutor: Prof. Bufi Maurizio.
Training program in General Medicine: case history, medical examination, diagnosis and therapy of the principal degenerative pathologies. Tutor: Dr. Fiorentino Luigi.
- 21/10/2010 **Degree in Medicine and Surgery - final mark 110/110 cum laude.**
University of Roma "La Sapienza", University Hospital Umberto I, Roma, Italy.
Laurea magistrale a ciclo unico equivalent to Bachelor of Medicine and Bachelor of Surgery. Sperimental Thesis: Definition of Videodermoscopy Scalp Psoriasis Severity Index (VSCAPSI) for an early diagnosis of scalp psoriasis.
Monthly training assignments in Internal Medicine Ward, General Surgery and within the Surgery of the University Hospital Umberto I Umberto I, Roma, Italy. Capacities acquired: scientific and relational abilities for a correct clinical and diagnostic judgment of principal pathologies and therapies.
Training assignment in the Surgery of Dermatopathology and the Paediatric Dermatology Surgery, from October 2009 to June 2011 within the Unit of Dermatology, Department of Internal Medicine and Medical Specialties (Director: Prof. Valesini Guido) at the University Hospital Umberto I (University of Roma "La Sapienza"), Roma, Italy. Diagnosis and treatment of: telogen effluvium, alopecia areata, androgenetic alopecia, lichen, systemic lupus erythematosus, dermatophytoses, acne, rosacea, psoriasis, dermatitis, melanoma, vitiligo, skin spots, actinic keratosis, exanthematous diseases, angiomas, telangiectasias. Tutor: Prof. Rossi Alfredo.

PERSONAL SKILLS

Mother tongue(s) Italian.

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2 Proficient user
 Common European Framework of Reference for Languages

Communication skills A strong clinician-patient relationship combined with empathic communicating skills was developed during the training program for effective clinical encounters.

Organisational / managerial skills Collaborative agenda setting through diagnostic telephone interview, understanding the patient perspective.

Computer skills Very good command of Microsoft Office tools (Word, Excel, Power Point, and Access), Keynote and SPSS (Statistical Package for Social Science).
 Strategies and techniques for data retrieval with the use of portals, database and institutional archives for medical adjournment: PubMed, Scopus, Web of Science, Embase, Google Scholar, Cochrane and CNR Solar (Scientific Open-access Literature Archive and Repository).

Driving licence A3 and B.

MEMBERSHIPS

2013 - present SIDeMaST (Società Italiana di Dermatologia e Malattie Sessualmente Trasmesse = Italian Society of Dermatology medical, surgical, esthetical and of Sexually Transmitted Diseases) member.

2014 - present EADV (European Academy of Dermatology and Venereology) member.

2019 (12/06/2019) - present EADV Scholarship Alumni Club member.

HONOURS AND AWARDS

14-16/11/2014 EADV Fostering Training Course for Residents - Hair & Scalp.

04-05/09/2015 EADV Fostering Training Course for Residents - Trichoscopy (Hair & Scalp dermoscopy).
 The winner for one of the best and most original presentation.

24-26/09/2015 EADV Fostering Training Course for Residents - New Non Invasive Imaging Techniques.
 The winner for one of the best and most original presentation.

14-15/10/2016 EADV Fostering Training Course for Residents - Bridging Dermatology and Rheumatology.

16-18/02/2017 AIDNID (Associazione Italiana di Diagnostica Non Invasiva in Dermatologia = Italian Association of Non Invasive Techniques in Dermatology) Annual Congress 16-18 February 2017 Modena - the winner of the AIDNID Best Poster Award 2017.

21-24/11/2017 Euroderm Excellence 2017 - Training Programme for European Residents in Dermatology.

24/11/2017 Top 10 Class of Euroderm Excellence 2017 - 7th Place.

- 18-20/05/2018 18th EHRS (European Hair Research Society) Annual Meeting 18-20 May 2018 Bologna - the second place winner for the 2018 EHRS Best Poster Award.
- 12-16/09/2018 27th EADV Congress 12-16 September 2018 Paris - John Stratigos Memorial Scholarship.
- 10-15/06/2019 24th WCD (World Congress of Dermatology) 10-15 June 2019 Milan - WCD Rising Star Scholarship.
- 14/06/2019 WCD 2019 AIDNID Dermoscopy Olympics - Third Place.
